Wheat Seeding Nearly Completed

With favorable weather conditions, wheat seeding throughout the Western Bow Valley is practically completed, and seeding of other grains is in progress. A lot of the wheat is now above ground, and showing a good stand.

While there has been no rain for the past ten days, there is still a good reserve of moisture in the soil, but now that seeding is well ahead, rain would be welcome.

Nights have been cool during the past week, slight frost having been recorded each evening.

MAIN HIGHWAY WORK COMMENCED

A big contractor's outfit encamped at Strathmore Monday night, on its way to commence the regrading and graveling of the highway from Calgary to about twelve miles west of Strathmore.

A communication was read from the Highway Commissioner, Edmonton, at the Strathmore Town Council meeting Tuesday, stating that the District Engineer, Mr. F. J. Graham, had been over the Calgary-Medicine Hat recently, and that an additional grant was now available to carry out the terms of his report, which would take care of the improvement of the worst sections of the highway.

COMING EVENTS

The regular meeting of the Women's Institute will be held at the home of Mrs. Lena DeWitt on Wednesday, May 20th, at three o'clock. Mrs. Fulton, Constituency Convener, will be present. A full attendance is desired of all those interested in working for home and community advancements.

Strathmore Stampede

PUBLIC MEETING
In Memorial Hall, on
MONDAY, MAY 18.
Everybody welcome.

Standard

Mr. N. W. Thompson has purchased a new Essex Coach.

The Standard Tennis courts have been the busiest place in town lately. Tennis enthusiasts are all ready for the opening tournament, or "Get-together games," which are being held this week.

Mr. George Pedersen is the proud owner of a new Star car. Mr. and Mrs. P. D. Knowlton and the Misses Cordie and Martha Peden attended the Dramatic Art Recital and Musical Concert in Rockford last Thursday evening.

A happy event took place last Friday night, when the C.G.T. Club entertained their mothers and a few friends at a social evening at the residence of Mrs. J. P. Hansen, who very kindly lent her home for the occasion. After the opening exercises there was a musical programme, which consisted of a duet by the Misses Margaret McLeod and Cella Myrhill; a piano selection by Miss Elma Larsen, and a piano duet by the Misses Viola and Dora Hansen, all of which were greatly appreciated by those present. Mrs. Knowlton gave two readings entitled: "Aunt Eliza on Automobiles" and "Miss Amelia's Colored Lochinvar." Later a dainty supper was served, followed by a social hour. When leaving each guest was presented with a dainty May basket. The guests were: Mrs. J. F. Gorrell, Mrs. G. A. Lee, Mrs. Hans Jensen, Mrs. A. Messinger, Mrs. P. D. Knowlton, Mrs. J. P. Hansen, Miss M. A. Peden, and Miss C. A. Peden.

Mr. Leon Walker left on Tuesday for Champion, Alta., where he will play professional baseball for awhile.

Mr. Leon Walker is operating the telephone switchboard while Miss Lykka Andersen is having her holidays.

Mr. and Mrs. Fred Christensen are receiving congratulations on the birth of a daughter, born in Calgary on May 1st.

Standardists are looking forward with interest and pleasure to Miss Helen Rasmussen's pianoforte recital, when her numerous pupils will give an exhibition of their skill on May 20th, at 8 p.m.

Council Meeting

At a meeting of Strathmore Town Council, held on Tuesday evening, the terms of the C.P.R. Appeal to the Public Utilities Board, asking for taking of their train land out of the town limits, were read, and the Mayor, Secretary-Treasurer, and Town Solicitor were appointed to attend the meeting of the Utility Board in Edmonton, and represent the town.

The salary of the caretaker, was, on request, increased \$10 per month.

Mr. J. H. Miner leased lots 25 and 27 in block 1 for one year.

A number of other items of business were transacted.

Cheadle

H. H. Miller and wife, Joe Guestin, Grant Craig and O. Edwards were Calgary visitors during the past week.

Mrs. W. J. Miller is reported on the sick list, and was taken to Calgary during the past week.

Miss Rosalie Edwards was operated on at the Holy Cross Hospital on Friday, the 8th. Mrs. Edwards left for Calgary on the afternoon train. Rosalie was doing well at the last report.

The Ladies Club had a big turnout to their meeting on the 7th, and a lot of work was done on their sewing and quilting.

The Cheadle Trail Rangers held a meeting on the 8th after a game of ball at the school, and have decided to hold a Father and Son banquet the first week in June, also a game of ball. Dads vs. Sons.

TRANSFER CHILD WELFARE WORK

The child welfare work of the provincial government, including the department of neglected children has been transferred to the jurisdiction of the department of health, under Hon. Geo. Howley, minister of health and agriculture.

ALFRED WELLER GIRVIN

Leaving Strathmore

Residents of Strathmore and district learned last week, with regret, of the impending departure of Dr. and Mrs. A. W. Girvin from Strathmore. They have been intimately associated with the life of the community since 1908, and have made hundreds of friends.

It is Dr. Girvin's intention to practice his profession in Calgary, so that he is not far removed from us, and he will still continue to take an interest in the town and its people.

Dr. Girvin will be succeeded here by Dr. T. W. Moore, formerly of Rocky Mountain House. Dr. Moore is a fully qualified practitioner, and a veteran of the world war. With his wife and young son, he arrived in Strathmore last week, and is at present in residence at the King Edward Hotel. He will later occupy his predecessor's home on First Street.

There is probably no one better or more favorably known in this district than Dr. Girvin. He came here in 1903, just as the district was opening for settlement, and has witnessed the transformation from raw prairie to a prosperous country.

During his residence in Strathmore Dr. Girvin has taken an active interest in every movement for the good of

STATES FOLLOW ALBERTA LEAD

Several States are following the lead of Alberta in adopting official cream grading systems. The latest to seek information is the State of Illinois, where it is hoped to work out some such system this year. The State of West Virginia is also endeavoring to inaugurate a system modelled on the Alberta system. It is expected that Dr. Mackay, Secretary of the American Association of Creamery Inspectors, will visit Alberta this summer to study the system here.

The community. He is an active church worker, having been an elder in the Presbyterian Church, and now in the United Church. He has been chairman of the School Board, a member of the Town Council, President of the Board of Trade, Medical Health Officer for the Town of Strathmore and M. D.'s Keoma and Bow Valley, etc. Hockey, skating, curling, golf, and tennis have all benefited by his assistance in executive and playing capacities. He is an ardent musician, and member of several fraternal societies.

In his official capacity his ministrations have saved the lives of many now living in the town and district, and he has followed the work in its bringing into this world the greater part of the juvenile population of the district.

The life of a country doctor is a hard and strenuous one, and following his recent operation for appendicitis Dr. Girvin decided he would move into the city of Calgary and practice his profession there.

Dr. Girvin graduated at Queen's University, Toronto, in 1905, and afterwards took a postgraduate course in London, England.

In 1910 Dr. Girvin married Miss Nellie Morris, who at that time was teaching school at Orange Valley. Mrs. Girvin has also done her part in the social upbuilding of the town and district.

Strathmore regrets the departure of Mr. and Mrs. Girvin, but will wish them and their family of three every success and prosperity in the future.

Co-operative Pool Campaign

POOLS ASK SUPPORT OF BUSINESS ORGANIZATIONS IN THE PROVINCE

Support of the boards of trade and the various service clubs in the cities and towns, and the agricultural societies in the drive to secure memberships for the new provincial dairy, livestock and poultry pools, is being asked by the joint organization committee of the pools, of which A. H. Claypool, M.L.A., is chairman. Letters were dispatched to all of these organizations during the past week, soliciting whatever support and assistance their members might be able to give in adding the pools to reach their objective when the organized drive takes place during the three weeks from June 8th to 28th. It is felt that the business organizations will gladly support the pool movement as one essential in making Alberta a more attractive place for incoming settlers, as well as improving the conditions of those already on the land.

An effort is also being made to secure permission of the bank superintendents in the province to have the various branch banks throughout the province used as depositories where copies of contracts can be secured by farmers or by canvassers during the drive.

The directors of the Wheat pool, the members of the provincial legislature, the directors of the U.F.A. and of the U.F.W.A. are all to be asked to assist in the drive for memberships. The organization committee is relying upon the U.F.A. and U.F.W.A. locals to prosecute the work of canvassing the various districts.

The joint organization committee for the pools was formed at a meeting of the directors of the three pools held in Edmonton last week-end. The committee consists of the secretaries of the three pools and the three chairmen as ex-officio members. The chairman of the joint pool is A. H. Claypool, the vice-chairman is Mrs. F. E. Wyman, and the Secretary is R. A. Van Slyke. The members of the committee will make their headquarters in Edmonton during the latter part of May and during the period of the drive for members.

Up until the beginning of this week, the largest flock of hens signed up for the poultry pool was that of Chas. O. Dawson, of the Western Egg Farm, Ardenode, numbering 400 hens. Milton Roper, Secretary of the Mirror Local of the U.F.A., who is one of the canvassers, says he and his brother will have 500 hens next winter.

One of the canvassers in the Grande Prairie district in two days' work last week signed up about 80 percent of the farmers in his territory for the livestock pool.

An indication of the extent to which the principle of co-operative marketing is being incorporated in legal enactments, is shown in the fact that 37 states of the union now have co-operative marketing legislation on their statute books.

At present thirty-four classes in Health Study are being held in Alberta, and many more are in the process of formation. At Carseland, which was one of the first towns to enroll students, says the Alberta Red Cross report, the classes have come to a successful termination, and the teacher, Mrs. Lonsdale, has kindly consented to teach the new class just formed at Thelmead.

Days We'll Never Forget

Join The Pools

Farmers of Alberta!

Sign a Contract with the new Provincial Dairy, Livestock and Poultry Pools and have a say in the Marketing of Your Own Products.

The Dairy Pool

aims to—
save 6 to 8 per cent. on the price of butterfat for the producers by eliminating agents, reduce railroad tolls, reduce handling charges and overhead costs, stabilize markets.

The Livestock Pool

aims to—
increase selling advantages by controlling a large volume of stock, effect economies in handling, protect the producer against excessive dockage charges, protect the producer against a slump in price by stabilizing the market.

The Poultry Pool

aims to—
stabilize and extend markets, gain for the producer the full benefit of the price paid for his product, provide for storage of product in times of peak production.

To Farmers & Farm Women:

These are YOUR POOLS. Their success will depend on your support. The best evidence of your belief in co-operative marketing is your signature to a contract.

DRIVE FOR MEMBERSHIP

Canvassers will visit you between 8 and 28. Be ready to sign up then, if not before.

Rosebud News

Miss Mildred Cole is home for her summer vacation from Edmonton, where she attended the university during the winter.

Mrs. G. Gies entertained for five o'clock dinner on May 2nd in honor of her niece, Miss Douglas. The following guests were invited: the Misses N. G. Gies, C. Gies, and H. Gies; Messrs L. Constable, H. Hyman, W. Hyman, E. Schultz, also Miss Rath and Mr. Logan Gies were home. A lovely dinner was served, and all reported a very pleasant afternoon.

About 8:30 o'clock on the eve of May 2nd, a gas lantern exploded in the warehouse of the Co-operative, and within fifteen minutes the building was burned to the ground. On short notice the contents of the office, including 4000 in cash, and the day books were removed, and through desperate efforts the office was saved. To understand that A. Story was here at the night, standing there near the fire extinguisher until his clothing was badly burned, and all appreciated his courage. Mr. Brunner said he had beat the barber out of a hair cut on one side of his head, as it was burned. Full gas drums were hurriedly removed to a place of safety. Fortunately most everything was insured, as they carried a large stock of hardware and implements, etc. They were expecting to move to their new location in the near future. Arrangements are underway to start their new building, and soon they will be handling more than ever. At present they are giving you the best service they can under the circumstances. Like a good man, you can keep it down.

Frank Archer has a new Chevrolet car.

L. Nictzen is driving the Walker car now.

Most everybody in Rosebud have new cars. Some prosperous district.

Everybody expects to attend the tenth dance given on the 15th in the hall.

Mrs. H. C. Hart is expecting her mother and her husband from Pittsburgh, Penn., to visit here in June.

R. W. Brunner is getting a new cultivator.

Social & Personal

Mrs. Margaret Rogerson is at present visiting with Mrs. Doug. T. Berry. Mrs. Rogerson, who comes from Scotland, has spent the greater part of the past year touring the U.S.A. Her son was well-known locally during the early years of the town, having been a member of the Bank of Commerce staff. He emigrated locally during the war, and was killed on service, to the great regret of his many friends in this district.

Mr. and Mrs. Aldridge, Calgary, visited with Mrs. Aldridge's parents, Mr. and Mrs. W. E. Vickery, on Monday and Tuesday.

Miss Esther Johnston has been on holiday for the past week, visiting with her parents, Mr. and Mrs. Alfred Johnston.

Dr. F. W. Moore, who succeeds Dr. W. G. Girvin in his local practice, is now actively engaged in his profession. Dr. Moore is a comparatively young man, but with considerable experience and a very likable personality. He left Calgary for overseas in 1914, and served in France for three-and-a-half years. We have no doubt that he will do much to fill the gap in the community that will be left by the departure of Dr. Girvin. The physical gap he can certainly fill but spiritually though hardly so.

Mrs. F. R. Lilly left on Saturday on a visit to her daughter, Mrs. King at Calgary. She was unfortunately taken seriously ill on arrival there, but is now reported somewhat better.

Mr. and Mrs. T. H. Mieson returned from a visit to the coast on Wednesday.

Bassano Presbyterian congregation has unanimously decided to remain Presbyterian.

Strathmore had the distinction for sobriety, if you prefer it that way, of recording its first interdict under the Liquor Act last week.

Keoma Notes

Keoma farmers have little time to spend in Calgary these days, and so town has been pretty quiet also.

A very successful community meeting was held last Wednesday, to discuss the new hall. It was decided to carry on as soon as possible, so that we can have the hall up before the Fall. The play which the Dramatic Society were to present on May 25th, has been postponed until the opening night of the hall, which is expected to be in the middle of June. In its place on the programme for May 25th, a dance will be held in Ross William's barn, just out of town.

School Column

A special prize of a framed picture entitled "Defenders of the Empire" has been received for the School Fair. The donors are Christine Loh, of London, Man.

The secretary of the School Fair Association has on hand a supply of insect pins, mounting cards, and bulletins. These may be had by teachers of the competing schools on application at the Strathmore School.

The Strathmore School baseball and basketball teams went to Carlsland Friday evening to play the Carlsland School team. The Carlsland boys won the baseball 12-11, but the Strathmore girls equaled up matters by winning 11-5. We wish to thank those who lent their cars, and so made the games possible.

Following is the lineup for the girls' basketball game:
Strathmore—Edith Stuckton, Nora Chamberlain, Kate Chamberlain, Florence Garrett, Mildred Marcum. Substitutes—Lawson, Ardie Dawson, Grace Scher.

Carlsland—Marguerite Downey, Helen Jamieson, Edith Robertson, Alfred Bergquist, Leona Christensen, Stah. Mary Wignall.
All on deck for the Carlsland sports on the 16th inst. The games begin at 10 o'clock Saturday morning. It will be noted that rural schools have an excellent opportunity of winning one or more shields each, as only three are allowed to enter from one school in each event.

Golf News

The game between the teams of the Past President and President on Sunday last resulted in a victory for the former, the score being 7 games to 2, several players not turning out.

All players are requested to read the Golf Notes every week so that they will know what is being done. It is the intention of the Executive to go ahead with the improvements which are planned this year. It is necessary that all membership fees be paid at once with a view to ascertaining how much money will be available and also how many players will be eligible to play in the various competitions.

\$200.00 has been paid on the land this evening, and at least \$100 will be required to put the course in good shape.

The labour required for the sanding of the greens, etc., will have to be done by the club members, and some of them have already done their share. The work remaining to be done on the greens can all be completed this week if there is a full turn out, to get out and do your little bit towards making a good course.

The annual meeting of the Ladies' Golf Club was held recently in the town hall. Mrs. Patrick is the chair.

Satisfactory reports were received by the retiring officers and committees for the excellent work done last season in building up the ladies' club.

An interesting programme of matches and competitions had been planned and carried out, and the interest, in consequence, was keen for season 1925.

Election of officers followed, as given below:

Executive
President—Mrs. Patrick.
Vice-presidents—Mrs. T. Chamberlain and Mrs. Hildy.
Sec-Treas—Miss Brown.
Corresponding Secretary—Miss Gibson.
The subcommittees will appear in next week's issue.

The draw for Saturday, May 16th, is as follows, and only members in good standing will be eligible to take prizes, to it is desirable that all fees be paid this week. Ladies \$5.00, Students \$2.00. A fee of \$1.00 per month has been decided on for those who may not reside in town permanently.

Strathmore Stamped

Attend Meeting on May 18th

July 15th is the big day. Arrangements are now well advanced for the event. A meeting of the executive was held last Tuesday afternoon, when officials were appointed, and the recommendations of the executive will be submitted to a general meeting of all interested to be held in the Memorial Hall on Monday, May 18th. If you are at all interested in the promotion of sport in the district, and in the success of the Memorial Hall, don't fail to attend this meeting which will open at 8 p.m.

President Thos. E. Wright presided over the well-attended executive meeting held Tuesday. At this meeting Dick Cosgrave, one of the nervous boys who ever punched leather, was elected manager, with Bob Anderson and Leslie West as assistant managers. Several committees were also appointed, which are to be in reports to the general meeting to be held on the 18th.

The canvass committee are already out on the job, and as the receipts have not yet reached the expenses, so the reduction of the debt remaining on the Memorial Hall, we hope to see them meet with a hearty response.

The race programme will be added to considerably this Stampede, if the committee's recommendations are adopted.

A great many people of the neighbourhood are suffering from severe colds.
Mr. Hans Lauson has finally made his long talked of move to Calgary. The community will miss Mr. Lauson, who has always been ready to lend himself to community enterprises and always a booster for Carlsland. We wish them well in their new move.

Baseball Season Opens

1925 baseball season opened locally on the 10th with a game at Carlsland between Carlsland and Strathmore. The season opens on the 15th at Strathmore, when Carlsland will play the return game, the game commencing at 8 p.m.

On the 25th, Victoria Day, Carlsland is staging a double-header with the White Sox, one of Calgary's leading amateur teams. Strathmore is putting on a double-header for the King's Birthday, June 2nd.

Nothing definite has been done this year in the formation of a league. Last year Strathmore, Carlsland, and Langdon formed a three-team league, but so far Langdon has not shown any prospect of organization. If not other teams in the district come forward, Strathmore and Carlsland may enter into a Calgary league, though they will play a number of games at each place during the season as opponents.

Strathmore shows promise of having a stronger ball team than last season, there being some new players in the lineup, and at the same time the policy adopted in the past two or three years of building in the younger boys is bearing fruit.

Don't forget, Friday, May 15th, at 8 p.m. will see the first game of baseball in 1925 at Strathmore.

Strathmore 6, Carlsland 2

A good game of baseball was enjoyed by a large number of spectators on the afternoon of the 10th. Strathmore winning out by a 6-2 score. Score by innings:

Strathmore 0 1 0 0 0 5 0 6 4
Carlsland 0 1 0 0 0 1 0 0 2

Lineup of Teams

Strathmore—T. Morton s.s., Harry Storey c., A. Morton and B. Giroux c.f., W. Gray c.f., S. Rae r.f., Carl sen r.f., Crellen p., Jones 1st b., Brown 2d b., Way c., A. Gray 1f.

Smilin' Charlie Says—

"Times do change. It's pretty to be that a pretty postal card answered for a Valentine, now it takes at least a pearl necklace" —

Had we intended to run the district into debt 20 or 25 thousand dollars, it would have been a different matter, but a school district of this size, voting down a measure of this kind, put the climax to it all.

Therefore not wishing to be a party to spend any amount on the old school and be kicking ourselves, and get more criticism in the near future for what we did, we tendered our resignation.

Also we wish to say that at any time anything is done in regard to a good school proposition in this district and any other, we will be there to the best of our ability.

And as to improvements on the grounds, we will only be too glad to meet any of the taxpayers on a day set to bring in teams and men, and help to put our school grounds in a condition to be proud of.

Thanking you for this space, we remain,
Yours respectfully,
W. C. LESTER

IRRICANA SCHOOL BUILDING

Dear Sir:

Would you please allow us space for the following?

In order to defend the action taken by the Board of Trustees in resigning, following the defeat of the Henry By-law, voted on at Irricana on May 2nd, we \$5,000 debentures for a four-roomed school to be finished.

After thoroughly going into the matter of the proposed addition, which was started last year, and a grant of \$3,500 being allowed for same, we decided it unwise to rebuild or add to the old schoolhouse, and after very thoroughly going into the school requirements for the future as well as the present, we called a meeting of the proposed addition, which was started last year, and a grant M. D. Grasswold Meet

A regular meeting of the Municipal District of Grasswold, No. 248, was held on Saturday, May 2nd. Meeting was called to order at 10.30 by the Reeve. The minutes of the previous meeting were on motion approved and read, all members being present.

Grant for Road Work
Mr. Graham, the District Engineer, being present at the meeting, informed the Council that the Government grant for the year 1925 would be \$1556.00, of which one half would come under the head of Capital Expenditure, and the balance under the same condition as in previous years. Mr. Graham pointed out to the Council that all of the grant must be spent on approved market roads. The Council then on motion decided that the capital expenditures should be spent on roads starting from Section 9-27-21-4, and then due North through Rosebud to the North boundary of the district, the balance of the grant to be spent on roads starting at Rockyford and running due North to the boundary line, also starting at the North boundary of section 27-25-24-4 thence due South through Standard to the boundary line of the district.

A petition presented to the Council signed by a number of ratepayers requesting that the road allowance coming into Rosebud from the South be opened up to the regular road allowance. After some discussion the Council decided, on motion, that steps would be taken to open up the regular road allowance coming into Rosebud from the South, and to notify the Canadian National Railway to move their crossing to conform with said road allowance.

A letter was read from the Department of Public Health requesting that arrangements be made to move Fred Lang from the Central Alberta Sanatorium to a Hospital as the diagnosis of his case showed that he did not have tuberculosis. The Council then on motion, instructed the Secretary to notify the Calgary City Hospital that the Municipal District of Grasswold was prepared to pay Hospital fees in this case.

A letter was read from McIntyre and Sandcock re Drumheller Hospital, and Thomas Honeysman calling the Council's attention to Hospital services rendered to Thomas Honeysman had not yet been paid. The Council, on motion, instructed the Secretary to pay said bill.

A letter from the Department of Public Works was read relative to the Canadian National Railway tracks at crossing at Rolland, pointing out to the Council that the Railway Co. objected to putting in the crossing as surveyed by the Council, and placed at the West side of the switch. The Council decided, after full discussion, that the crossing as proposed by the Railway Co. was out of the question and that the Secretary was, on motion, instructed to place the matter before Mr. Kerr, the chief engineer for the Board of Railway Commissioners, at Calgary, for final decision.

Assist Standard Fair
Communication was received from the Standard School Fair Association asking that the Council make a donation towards helping to carry on this work. After some discussion the Council agreed that a great deal of good was derived from these affairs, and could see no reason why such a worthy cause should not be encouraged; the Secretary was therefore, on motion, instructed to notify the Standard School Fair Association that the Council was prepared to donate an amount of \$100 for each and every school taking part or belonging to the association, and that this donation would hold good for any school in the Municipal District of Grasswold.

The Rabbit Lake School requested that the requisition for their school be raised to \$255.00. This was, on motion, granted.

Communication was received from John Boyd, a barrister, to horses sold in pound at Standard, alleged to have belonged to J. B. Desjardins estate, claimed that the horses were not properly advertised, and from what information the Council had at hand they could not see but that the sale was properly conducted; therefore the Secretary was, on motion, instructed to notify the solicitor that if the pound fees would be paid the Council was prepared to give an order to redeem said horses.

Road Work
A number of ratepayers were present at the meeting petitioning the Council for various kinds of road work, and after fully discussing the different requests for road work the Council, on motion, decided that the proper procedure, in order to settle the questions, would be that the whole Council make an inspection of these complaints

Ardenode

A lively meeting of the U.F.W.A. was held at the home of Mrs. E. E. Thompson. Several reports and letters from the different convokers were read, and the Junior Local was discussed at length. It is intended to invite Mr. Hornstra from Dalemead on some suitable date to visit the Junior U.F.W.A. Local at Ardenode. The youngsters are staging a social at the Serviceberry School May 25th, at 8 p.m.

Remember the date and come and be entertained by the young folks. The meeting adjourned with a lovely lunch, served by the hostess, and a hearty invitation was accepted from Mrs. Gothard Sr., to meet with her on May 20th, at 5 p.m.

Craigie's News

The Wheat seeding is almost finished at the time of writing, and by May 15th all oats will be seeded.

H. B. Grant went to Calgary in his truck. Mr. Grant has bought a residence in Calgary in the north-west part of the city.

Mr. and Mrs. J. A. Grant and family, and Miss Collin's were visiting Mr. and Mrs. George McLean at Cairn Hill, on Sunday last.

Fred Mull and G. Andersen sowed their oats last week and intend irrigating them at an early date.

The school inspector seems to have forgotten about Craigie's school, having been in the district and not calling. Perhaps he thinks that everything is O.K., same as last year. Let us hope we will see him soon.

Tommie Danielson, the piano tuner, was in the district last week and did a good business.

Fourth Annual Tour To The Pacific Coast

Special Train from Winnipeg via Canadian National Railways. Entertainment Provided for at Various Points of Interest En Route.

Personally Conducted

Personally conducted tours offer the best opportunities for familiarizing oneself with the country traversed. This applies to our own country as well as to the older settled countries of Europe. Canadian National Railways has, for many years, commencing immediately after the close of school for the summer holidays, conducted special parties to the Pacific Coast via Prince Rupert. The tour this year which will be the fourth will again commence at Winnipeg, from which point a special train of modern sleeping car equipment, dining car, and radio observation car, will leave July 6th. After stopping at various points of interest, the train will arrive at Prince Rupert on July 11th. At this latter point, the party will continue on a palatial steamship for a cruise of 50 miles through the famous "Inside Passage" to Vancouver. While the tour terminates at Vancouver, those who desire to make a trip to Victoria, may have their tickets read "Victoria" as their destination without any additional cost.

This tour is an outing that appeals strongly to teachers as well as to professional men, and business men and women.

The local agent of the Canadian National Railways, will be pleased to give you full particulars of this tour, including the cost, choice of routes returning, etc.

Rockyford

An even of great interest to ladies will be the joint recital to be given by Mrs. Odella Myers and Mrs. F. T. Toms in Rockyford Hall on Friday, May 21st. Those who have been to these two capable artists will not do not need to be informed that a great deal is in store for them. Everyone should endeavor to attend. Everyone is in aid of the hall fund, which is another good reason for your attendance.

Quite a little excitement occurred in Rockyford last Friday, at noon, when fire started in the Imperial Lumber Yard, the cause being a barrel of tar. A heavy wind was blowing at the time, and but for the prompt action of the neighbors the effects might have been disastrous. As it was, little harm was done.

Miss Seigel's concert last Thursday was quite a success, a good crowd attending.

A number of Strathmore brothers attended the meeting of Rockyford Masonic Lodge last Thursday, and the Rockyford brothers responded by turning out in good numbers to Strathmore on Monday.

The school inspector, Mr. Buchanan, visited the school in Rockyford district last week.

The preliminary hearing of the case of Art Klunehuk, accused of theft of money from B. C. Brown, was held in Rockyford on Tuesday afternoon. A number of local people appeared as witnesses.

New phones installed: 49 C. R. Walrod; 50 W. C. Wagner; 1100 Chris Hagen; 13013 H. A. Maurice; 1305 Frank Curran.

Daintree Ladies Club are putting on a dance at Nightingale on Friday night, proceeds being for the benefit of the new hall, which is to be erected at Daintree.

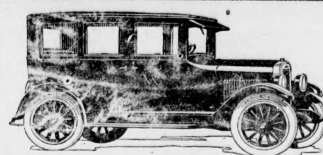

Arbour Day was a bank holiday, and the day was observed by a general cleanup.

Rockyford golf course is now in splendid shape, the greens being sanded and oiled. Rockyford has now a course to be proud of.

The streets are being graded at the present time, especially Railway Ave., which was very badly in need of it.

Wheat seeding is practically completed throughout the district.

Work on the C. R. Walrod building is now well ahead.

Friday—I had a luff at pa tonight. Me and Ant Emmy thinks we got a good look on him but we ain't told us about it yet, but if I don't get a new athletic suit she'll be to hear about it. We was at a ice cream social and pa got to talking to 1 of the young ladies at was a waiting on the tables and he kept calling her Miss Brown an finer she told to him she says I wish you wouldn't call me Miss Brown and pa says. Why I shot nobly I better on next.

I have only new you for a couple days, but why don't you like for me to call you Miss Brown and she replied and answered. About my name is Kelly.

Saturday—Went down to the meat shop today with Ant Emmy and when we went in Ant Emmy says to the clerk where at end I find the Head Cheese and he says to her. Why you will find him sitting over in the office (that where) a man. Why didn't say nothing a tall one she walks out with a sneering nose.

Sunday—every body feels sorry for Mr. Brown who was out from the shoe business. Ma said it nearly made a nervous reth outta him since he broke up. Pa said. Yes he goes it did zong he held he was going over to Europe to recuperate up from his nervous break down.

Monday—They didn't no I herd them talking to me about me. She said she didn't no what to do with me. Ma says. He is a bad egg an I think you better take a good egg an I think. Teecher Jus. laffed an said. I am afraid it wood be a bad policy to hit a bad egg with a stick. I goes that's educated talk.

Tuesday—Tom Pump has got a big bump on the side of his head. Pa said he told him when he got it he set the other side when he got home he set 2 beds and jumped in the rug bed he goes.

Wednesday—It's says the trouble now days with the care less driver is that to many of them turns the corner in the center of the block.

Thursday—Ma had me beating on the rug tonight. I will say this for Ma she believes in the old adverb that what is worth doing is tall is worth doing well. A specially when she has got me to do it for her.

Announcement

Dr. T. W. Moore having arranged to take over my practice and residence in Strathmore, I have decided to remove to Calgary where I expect to begin the practice of my profession in the near future.

In severing connection with my work here among the good people whom I have had the honor of serving in Strathmore and in all the country over which I have been called during the past seventeen years. I assure you it is without hesitation that I say I am sorry the time has come when I am to leave. Were it possible I would like to personally meet you all to tell you how well I have appreciated all the acts of good will and kindness you have extended to me during the past years, and also the pleasure and satisfaction I have had in answering your calls.

In my successor, Dr. Moore, I have every reason to believe that you will have one in whom you can place confidence, and who will always be ready to serve you with efficiency.

With very best wishes,

Yours sincerely,
